

INSTITUTE  
FOR RESEARCH  
IN BIOMEDICINE

## Eligibility Acknowledgement Form

I certify that I am aware of the access requirements to a doctoral program as set out in Royal Decree 99/2011 of January 28, 2011 (num.35 BOE, 10 February 2011), which regulates official doctoral education in Spain. In this regard, the studies that allow my access to a doctoral program are: *(Please tick the appropriate category)*

An official Spanish university degree or a degree issued outside Spain but within the legislative framework of the European Higher Education Area (EHEA). Furthermore, a minimum of 300 ECTS credits completed in official university studies, 60 of which at a master's degree level.

An official EHEA bachelor's degree or equivalent and an official master's degree.

A degree issued outside the EHEA but in a legislative framework that would entitle the applicant to begin a doctoral program in the country in which his/her degree certificates were issued.

A doctoral degree.

None of the above (please specify):
