## Maths4Life Programme - 2022 Call

### TERMS & CONDITIONS

The Articles of Association of the *Fundació Institut de Recerca Biomèdica (IRB Barcelona)* (hereafter referred to as IRB Barcelona or the Institute) establish that this institution will promote activities that address collaboration and knowledge transfer and also make calls for fellowship (herein referred to as grant) applications and subsequent awards of the same.

The grants are assigned to students enrolled in a BSc or MSc programme who undertake a research internship under the supervision of group leaders at IRB Barcelona.

### I. Objective

These Terms and Conditions serve to regulate the summer internship grants for the 2022 Maths4Life call.

### II. Grant Call

The eighth edition of the “Maths4Life” initiative is aimed at outstanding and highly motivated BSc and MSc students from the national and international<sup>1</sup> community with a strong interest in mathematics and statistics.

Four grants are offered to undertake an internship at IRB Barcelona from July to September 2022. The grant stipends included in this call will be covered by IRB Barcelona structural funds for a maximum of 3 months from the start of the internship.

A total of 250 h of research work (minimum of 20 h/week) will be distributed from July to September 2022 upon agreement with the project supervisor at IRB Barcelona.

Awardees will be hired by IRB Barcelona and will receive a gross amount of €1200 for the training period.

---

<sup>1</sup> Only students from the European Union are eligible.

HR EXCELLENCE IN RESEARCH

INSTITUTE  
FOR RESEARCH  
IN BIOMEDICINE

Awardees will be offered the opportunity to participate in in-house institutional activities.

Awardees will be supervised by a group leader at IRB Barcelona (or the designated senior researcher) previously assigned and agreed with the awardee before signature of the contract. This group leader will oversee that the duties assigned to the awardee are fulfilled and will notify IRB Barcelona's Academic Office of issues affecting the undertaking of these duties or other pertinent circumstances, so that corrective measures can be taken and/or proceedings to withdraw the grant can be started.

### III. Requirements and Selection Criteria

1.- The Maths4Life Programme has been designed to encourage and further the training of young emerging researchers in biomedical research topics.

- Addressed to students who have completed at least 120 ECTS of a BSc degree in Mathematics, Physics, Statistics, Informatics, and related areas by June 2022 and MSc students in the same fields.
- Sound knowledge of statistics or programming for the field of biology, chemistry or medicine.
- Good knowledge of English.

2.- Candidates will be selected exclusively on merit, on the basis of academic records, motivation letter, as well as other criteria, such as internationalisation, previous research experience, and letter of reference. No selection criteria for positive or negative discrimination will be applied.

### IV. Application Procedure

Applicants should send the documents listed below to [phd@irbbarcelona.org](mailto:phd@irbbarcelona.org) , indicating "Maths4Life candidacy" in the subject box before 11 May 2022.

- CV
- A scanned copy of the student's certified Academic Record. These documents must show the grades attained in exam periods.
- Additional certificates, prizes, and recognitions
- Motivation letter

HR EXCELLENCE IN RESEARCH

INSTITUTE  
FOR RESEARCH  
IN BIOMEDICINE

- A letter of reference from university lecturers or scientists with whom the student has studied or worked. Only letters with an official letterhead and signature will be accepted.

Applicants should indicate up to two research groups in which they would like to work, in order of preference. Moreover, if they are interested in a particular research group, they should make reference to it in the motivation letter. More information on the research activities of each group can be found on the IRB Barcelona web pages.

Referees must send their letters directly to IRB Barcelona at: [phd@irbbarcelona.org](mailto:phd@irbbarcelona.org). Only letters with an official letterhead and signature will be accepted. Applicants are responsible for ensuring that their referees send the letter. Applications not accompanied by this letter will not be eligible.

Applicants should submit information wherever possible in English (CV, motivation letter, summary of work experience). If the certified academic record is not in Catalan, Spanish or English a translation into one of these languages should be provided.

## V. Selection

After the application deadline:

1. A Review Board comprising IRB Barcelona group leaders and members of the IRB Barcelona PhD Advisory Committee will draw up a preliminary list of candidates.
2. Group leaders may interview the invited candidates and will make a final selection.
3. Applicants can follow the status of their application upon request to the email [phd@irbbarcelona.org](mailto:phd@irbbarcelona.org)
4. Applicants who have not been successful but have received a positive evaluation will be put on a waiting list to cover possible renunciations and future positions.

## VI. Calendar

11 April 2022 - Call opening

11 May 2022 - Call deadline and preselection of candidates

June 2022 - Notification sent to successful candidates

Summer internships start as of 4 July 2022.

At the end of the internship, each student must prepare a summary report and send it to the IRB Barcelona Academic Office at [phd@irbbarcelona.org](mailto:phd@irbbarcelona.org), as well as to the project supervisor.

## VII. Communication of Grant Award

1. Selected candidates will be informed of the grant award via email. After acceptance of the grant, awardees will receive detailed information. Students will also present their research work undertaken during the internship in an open seminar organised for the IRB Barcelona community.

## VIII. Rights of Awardees

1. To be provided with the necessary assistance to perform their studies and research activities. They will have a tutor who will provide assistance during their internship at IRB Barcelona.
2. To have their intellectual and industrial property rights regulated by the employment contract with IRB Barcelona.
3. To have employment and Social Security rights derived from the formal employment contract with IRB Barcelona.
4. To exercise intellectual property rights derived from their training activity in accordance with their contribution, as established in the Intellectual Property Law, Royal Decree 1/1996, 12 April. These rights will be independent, compatible and accumulative with other rights that may arise from the research developed, without negatively affecting the rights of the joint effort when the awardees participate in or are associated with a joint research project.
5. To have possible industrial property rights regulated by Patent Law 24/2015, 24 July, and Royal Decree 55/2002, 18 January, governing the exploitation and license of

FOR RESEARCH  
IN BIOMEDICINE

rights on discoveries made in public research organisations. Said rights will not be linked to the grant.

## IX. Responsibilities of Awardees

1. To fulfil the terms and conditions established in this call.
2. To perform their research activity under the supervision of a project supervisor at IRB Barcelona while the grant is effective. In addition, they must perform the activities foreseen in the research training and specialisation programmes of the Institute, as well as satisfactorily fulfil the objectives of the training programme.
3. To comply with the internal regulations of IRB Barcelona, particularly regarding working conditions and the prevention of occupational risks.
4. To inform IRB Barcelona in advance of articles carrying their names that are published in scientific journals.
5. To undertake the duties that correspond to them as a result of being hired by IRB Barcelona, as well as those associated with inclusion in the Social Security System.
6. To inform IRB Barcelona if they receive other grants or funding.

## X. Termination of Grants

The grants will be revoked if the awardee has withheld or falsified information. The grant will also be terminated if the awardee does not fulfil the responsibilities described in point IX.

## XI. Incompatibility

Awardees will be devoted exclusively to the research or technical training and specialisation activities defined in this call. The grants included in this call are not compatible with any other type of grant or fellowship from other public or private organisations.

## **XII. Data Protection**

In accordance with Regulation (EU) 2016/679 (General Data Protection Regulation), Organic Law 3/2018 of December 5, and other applicable regulations governing personal data protection, any personal data provided by applicants will be incorporated into the Academic file of IRB Barcelona, for which the Institute is the data processor. The purpose of keeping such data is to manage our relationship with applicants. Applicants may exercise the rights of access, rectification deletion, opposition, transfer and expiry, as well as limitation in data processing of said information by contacting the Institute at the following e-mail address: [dataprotection@irbbarcelona.org](mailto:dataprotection@irbbarcelona.org), or by writing to the following postal address: C/ Baldiri Reixac, 10, 08028, Barcelona.

## **XIII. Dissemination**

Any information regarding this grant will be placed on the announcement board on the IRB Barcelona web site.

## **XIV. Clarification**

The Head of Human Resources and Academic Affairs Department of IRB Barcelona or designated representative will be responsible for clarifying queries regarding these terms and conditions.

Barcelona, 11 April 2022

Maribel Labrid,  
Head of Human Resources and Academic Affairs.
