

40 years of Structural Biology in Barcelona, a tribute to Miquel Coll

23 May 2025

ORGANISED BY

This is a special gathering in honor of our colleague and dear friend, Prof. Miquel Coll (member of the IRB-Barcelona and of the IBMB-CSIC), as we celebrate his remarkable career and scientific contributions. Miquel turned 70 this past January, and this event will be a wonderful opportunity to recognize his pivotal role in establishing and advancing Structural Biology in Barcelona over the past 40 years, an anniversary truly worth commemorating.

Time: 10:00–17:45h (Registration: 9:30–10:00h)

Venue: CCCB (Mirador room) (Montalegre, 5)

Optional dinner at 20:30h: Restaurant la Fonda España (Sirenes room) (Sant Pau, 9–11)

REGISTRATION DEADLINE:
Friday 16 May 2025
