

A future in biomedicine

Start your Science Career at IRB Barcelona

INSTITUTE
FOR RESEARCH
IN BIOMEDICINE

In collaboration with:

Radboud Universiteit Nijmegen

Fellowships for BSc student research internships

- Comparative Genomics
- Structural Bioinformatics Network Biology
- Research Unit on Asymmetric Synthesis
- Microtubule Organization
- Amino Acid Transporters and Disease
- Signalling and Cell Cycle Laboratory
- Translational Control of Cell Cycle and Differentiation
- Biomedical Genomics

Deadline: 10 June 2021
