Barcelona BioMed Conference Stem Cells and Cancer October 1-3, 2007

Final Programme

Monday, October 1, 2007

9.00 - 9.15 Welcome by IRB Barcelona Director Joan J Guinovart

Session I: Stem cells and their niches - I

Chair: Elaine Fuchs

9.15-9.50 Elaine Fuchs
Rockefeller University (New York, USA)

9.50-10.25 Bruce Morgan
Harvard Medical School (Cambridge, USA)

10.25-10.45 Short talk - Rodolphe Lopez
EMBL-Monterotondo (Monterotondo, Italy)

10.45-11.15 Coffee break

11.15-11.50 Andreas Trumpp
Swiss Institute for Experimental Cancer Research
(Epalinges, Switzerland)

11.50-12.10 Short talk - Salvador Aznar-Beniath
Center for Genomic Regulation (Barcelona, Spain)

12.10-12.45 María Blasco
Spanish National Cancer Centre, CNIO (Madrid, Spain)

13.00-15.00 Lunch

Session II: Stem cells and their niches - II

Chair: Hans Clevers

15.00-15.35 Austin Smith
Wellcome Trust Centre for Stem Cell Research
(Cambridge, UK)

15.35-16.10 Jane Visvader
The Walter and Eliza Hall Institute of Medical Research
(Victoria, Australia)

16.10-16.30 Short talk - Hector Palmer
Cambridge Research Institute, Cancer Research UK
(Cambridge, United Kingdom)

16.30-17.00 Coffee break

17.00-17.35 Hans Clevers
Hubrecht Laboratory (Utrecht, Netherlands)

17.35-18.10 Daniel Louvard
Institut Curie (Paris, France)

18.10-18.45 Eduard Batlle
IRB Barcelona/ICREA (Barcelona, Spain)

Tuesday, October 2, 2007

Session III: Asymmetric cell division and Notch signalling in normal and tumor stem cells

Chair: Cayetano González

9.30-10.05 Freddy Radtke
Swiss Institute for Experimental Cancer Research
(Epalinges, Switzerland)

10.05-10.25 Short talk - María Domínguez
Instituto de Neurociencias, CSIC-UMH (Alicante, Spain)

10.25-10.45 Short talk - Anna Bigas
Institut Investigacio Biomedica de Bellvitge, IDIBELL
(Barcelona, Spain)

10.45-11.15 Coffee break

11.15-11.50 Cayetano González
IRB Barcelona/ICREA (Barcelona, Spain)

11.50-12.25 Jürgen Knoblich
Institute of Molecular Biotechnology of the Austrian
Academy of Sciences (Vienna, Austria)

12.30-14.30 Lunch

Session IV: Cancer stem cells - I

Chair: John Dick

14.30-15.05 John Dick
Toronto General Research Institute (Toronto, Canada)

15.05-15.40 Peter Dirks
Hospital for Sick Children (Toronto, Canada)

15.40-16.00 Short talk - Ricardo Pardal
University of Seville (Seville, Spain)

16.00-16.20 Short talk - Nuria de la Iglesia
Harvard Medical School (Boston, USA)

16.20-16.50 Coffee break

16.50-17.10 Short talk - Erica Jackson
Genetech Inc (San Francisco, USA)

17.10-17.45 Maarten Van Lohuizen
The Netherlands Cancer Institute (Amsterdam,
Netherlands)

17.45-18.20 Michael Clarke
Stanford Comprehensive Cancer Center (Stanford, USA)

Wednesday, October 3, 2007

Session V: Cancer stem cells - II

Chair: Joan Massagué

9.15-9.50 Sean Morrison
University of Michigan (Ann Arbor, USA)

9.50-10.25 Claus Nerlov
EMBL-Monterotondo (Monterotondo, Italy)

10.25-11.00 Coffee break

11.00-11.35 Shahin Rafii
Cornell University Medical College (New York, USA)

11.35-12.10 Joan Massagué
Memorial Sloan-Kettering Cancer Center (New York, USA)

12.10-12.20 Concluding remarks
Hans Clevers
