Place Online via Zoom Meetings, registration is mandatory

There are about 95 places available and registration is based on a first-come, first-served basis. Participants should attend all five sessions.

This course is directed at PhD students, postdocs and researchers from IRB Barcelona and institutions at the PCB. Attendance is strongly recommended for 1st year PhD students at IRB Barcelona. Note that these students have a guaranteed place on the course.

To register, please fill out the following Google [form](#)
