Barcelona Institute of
Science and Technology

Fundación BBVA

Organised by the Institute
for Research in Biomedicine
(IRB Barcelona) with the
collaboration of the BBVA
Foundation

The Institute for Research in
Biomedicine (IRB Barcelona) promotes
multidisciplinary research of
excellence at the interface between
biology, chemistry, and medicine.
Barcelona BioMed Conferences bring
together about 20 speakers selected
from among leading international
researchers in a highly focused think-
tank atmosphere. A limited number
of participants, selected on the basis
of their scientific experience, are
invited to join. Registration is free.
