FOR RESEARCH
IN BIOMEDICINE

Fundación **BBVA**

Organised by the Institute for Research in Biomedicine (IRB Barcelona) with the collaboration of the BBVA Foundation

The Institute for Research in Biomedicine (IRB Barcelona) promotes multidisciplinary research of excellence at the interface between biology, chemistry and medicine. Barcelona BioMed Conferences bring together about 20 speakers selected from among leading international researchers in a highly focused think-tank atmosphere. A limited number of participants, selected on the basis of their scientific experience, are invited to join. Registration is free.
