Nobert Perrimon (Boston, MA, USA)
Ronald Plasterk (Utrecht, The Netherlands)
John Rossi (Duarte, CA, USA)
Elena Vigorito (Hinxton, UK)
Jörg Vogel (Berlin, Germany)
Jesper Wengel (Odense, Denmark)

RNAi: Basic Biology to Clinical Impact will bring together 20 leading specialists from a variety of areas in a unique think-tank atmosphere to explore the latest developments in this rapidly growing field. An additional 40 participants, selected on the basis of their scientific experience, are invited to join. Registration is free. Organised by the Institute for Research in Biomedicine (IRB Barcelona) with the collaboration of the BBVA Foundation.
